# HINKLEY – 102 years of helping homeowners realize their vision

## HISTORY

Founded in 1922 in Cleveland Ohio as an outdoor light company by Phil Hinkley who ran the business until he sold it to Stanley Weidemer in 1937, Hinkley is still owned and managed by the 4th generation of Stanley's family. Over the years, Hinkley developed a full range of indoor and outdoor lighting. Fans were added to the Hinkley lineup in 2019. Today, Hinkley is known as one of the finest lighting companies in the world. Their collections are superior in design and quality, and are offered in a wide range of styles including Rustic, Industrial, Traditional, and Coastal. Hinkley also owns luxury brand Frederick Ramond and Lark, which is a value brand built with the same attention to design and quality.
